Artur Olesch

Founder of [aboutDigitalHealth.com](https://www.aboutdigitalhealth.com)

**Editor-in-chief of ICT&Health International and OSOZ
News**

Artur Olesch is a Berlin-based freelance journalist and correspondent for digital health-related topics. He is the founder of [aboutDigitalHealth.com](https://www.aboutdigitalhealth.com) and editor-in-chief of ICT&Health International and OSOZ News. An author of and 500+ articles and health-IT reports, content writer, an influential voice on social media. He mentors startups and guides healthcare organizations aiming to develop digital strategies.

Artur discovered his passion for digital health while working for one of the largest healthcare software providers in Central and Eastern Europe. As a correspondent of the most important conferences in healthcare, Artur describes technological, scientific developments in medicine and their impact on the health and well-being sector today and in the future. Artur works with healthcare and IT organizations like HIMSS, WHO, Copenhagen Institute of Future Studies. He is also currently a member of the 3rd cohort of the SCIANA Healthcare Leaders Network.
