

OUTREACH TEAM FOR CHILDREN – VYSOČINA (REGION)

MISSION

To provide timely and accessible support to children experiencing mental distress and to their families, in order to prevent the onset of mental illness.

For children already living with a mental health condition, we help them return to everyday life and support their recovery journey.

TARGET GROUP

Children aged 10–15 who:

- have a mental health condition or are experiencing psychological distress,
- are at risk of developing a mental health condition,
- are going through a difficult life situation or show risky behaviour.

TEAM COMPOSITION

- Social Worker
- Psychotherapist
- Social Care/Support Worker
- Registered Nurse (psychiatric specialty)
- Peer Consultant / Peer Support Worker

AREA OF OPERATION

- Outreach / field-based service – districts: Havlíčkův Brod, Pelhřimov, Jihlava
- Part of the Regional Network of Social Services of the Vysočina Region from 1 January 2025
- 6 FTE (full-time equivalents), 5 FTE in direct care
