

LANGUAGES & ELECTIVES EXPLAINED

The ability to use language confidently and appropriately in every-day, study and professional situations is a necessary key skill for all professions and is essential for both future working life and in preparation for studying or internships abroad.

The following **courses** (offered by the **Language Centre**) will help you to meet the challenges of today's globalised world well prepared:

- Language and elective (AWP) courses (both upon request)
- Intensive language courses during semester breaks
 - German courses: February/ March 2025
 - Other languages: March 2025
- Guidance and mentoring for the Tandem programme. This is a language exchange where two or more students teach each other their native language. For more information and registration please contact [✉ tandem@th-deg.de](mailto:tandem@th-deg.de).

Please note that in all language courses students are required to attend at least 75 % of all lectures in order to be permitted to the exam. According to this 75 % rule, for subjects worth 2 ECTS, a student can be absent only three times* during the semester and for subjects worth 4 ECTS, a student can be absent only six times*.

*One time = 2 Teaching Units = 2 x 45 minutes

See Section 4 in this PDF:

It is not necessary to excuse absences. However, do make sure to keep medical certificates and other documentation justifying your absences until the end of the semester.
