

Information for exchange students

Course offer summer semester 2024:

Bachelor Energy Systems Engineering: 2nd, 4th, 6th semester classes

Language classes for exchange students:

In addition to faculty courses, all exchange students have to participate in German language classes (= compulsory for all exchange students).

If you already have some German language skills, you will be placed into the corresponding level, based on the result of an online placement test.

Attendance is compulsory for all students!

Other language classes: possibility of participation depends on available seats.

Lecture schedules (published by end of February):

[Faculty schedules](#)

[Language and elective centre](#)

Module handbooks:

<https://www.th-deg.de/en/students/documents#module-handbooks>

Important note:

You can only participate in courses from the study programme you are enrolled in (see the following pages).

If you choose subjects from different semesters, please note that this might lead to overlaps in your schedule!

The lecture schedule might change weekly as classes can be offered as a blocked course or during the weekends. Please check the schedule regularly for updates!

All exchange students will do their final course selection during the first week of the summer semester.

Deadline for submission of Learning Agreements: mid March 2024.

Energy Systems Engineering (B)**Summer semester 2024**

Sem.	Modul	SWS	ECT S	Exam
2	Mathematics for Engineering	4	5	Written exam
2	Informatics II	4	5	Presentation
2	Electrical and Power Engineering	4	5	Presentation
2	Materials and Design	4	5	Written exam
2	Intercultural Competences	2	2	Presentation
4	Renewable Energies	4	5	Written exam
4	Sustainability	4	5	Research project
4	Plant Engineering	4	5	Written exam
6	Power Grid Management	4	5	Written exam
6	Energy Storage	4	5	Written exam
6	Smart Systems and Technologies	4	5	Written exam
